

PREMIER LEAGUE ARCHIVE

ARCHIVE

Since its establishment for the 1992/93 season, The Premier League has been delivering a unique brand of high energy football, played by some of the greatest players from around the world. From past legends including Alan Shearer, Gianfranco Zola, Teddy Sheringham, Eric Cantona and Dennis Bergkamp, to current stars such as Sergio Aguero, Robin Van Persie, Steven Gerrard, Ryan Giggs, Fernando Torres and Wayne Rooney. The cosmopolitan character and exciting style of play has ensured The Premier League's global popularity, making it the world's most watched sporting league.

The Premier League Archive is an incredible collection featuring full length coverage from over 7,500 matches, together with weekly and seasonal highlights stretching back more than a decade, as well as programming, ISO's, interviews and HD material.

PLArchive.com is a dedicated online resource, allowing you unprecedented access to view, clip and download footage from the most recent seasons and also screen Premier League archive programming.
